

Return to In-Person Learning--Option B

- September 14-25th > Status quo at all grade levels, this gives the district more time to determine if the Supreme Court ruling is likely to stand and allows more time for UW System/colleges and universities Covid volatility to stabilize/decrease and for the district to evaluate other established “Cambridge” metrics.
- September 28th > 3-5 grades return to in-person learning at CES
 - True cohorts and successful experiences PK-2
 - Success in District child care at this level
- October 12th > 6th grade returns in person to NMS; 9th and 10th grades returns in person to CHS.
- October 19th > 7th and 8th grades return in person to NMS; 11th and 12th grades return in person to CHS

Families would have the ability to remain in a virtual setting if they so choose. Any family wishing to change their selection from what it is now should contact their child's teacher (elementary) or the building principal by September 22th.
