

September 2020

Hi Charger Seniors and Guardians!

My name is Alicia Coragiulo (Ms. C) and I am your Career & College Readiness Counselor.

I have had the pleasure of introducing myself to many of you by visiting your classes in person last school year or via Zoom this year. If you have not yet met me, please reach out and say hi! Once we are back on campus, I encourage you to swing by my office located in C202; my door is (almost) always open!

So what is a Career & College Readiness Counselor anyway?

I can assist you with the following:

- Career and college aspirations, exploration, planning, and selection.
- Career and college admissions processes, including applications and essay review.
- Career and college assessments.
- Affordability and financial planning to pay for further education, including scholarships.
- Transition from high school graduation to career and/or college.
- Resume review and creation.
- High school credit for job experience via the Worksite Learning Program.
- And **SO** much more!

Please make sure you are staying up to date on all emails from me and you save the following hyperlinks regarding upcoming events to include [college and recruiter visits](#), [scholarship opportunities](#), [financial aid assistance](#), and other important information. You won't want to miss out! Please also take a moment to add yourself to my [Google Classroom](#) [class code: pvwblls].

I am looking forward to getting to know and work with each of you seniors this school year.

Make it a great day the Charger way!

Thank you,

Alicia Coragiulo, MSW

[Pronouns: she, her, hers]
