LARRY COONROD
Elementary Principal

Dear Parents,

Pioneer-Pleasant Vale Schools are now able to give weekend meals (breakfast and lunch) to all our students for FREE. We will begin serving the weekend meals next weekend for October 3rd and 4th. These meals will be sent home on Friday when your child leaves school for the day. These will be "shelf stable" meals, meaning they do not need to be refrigerated or cooked. The students will be offered milk, obviously it will need to be refrigerated, but they do not have to take it. Also, tomorrow, Friday, September 25th, we will send home shelf stable meals for Monday, September, 28th when we are at home for one of our virtual learning days.

Please remember that these meals are scheduled to continue until December 18th BUT if federal money runs out before then this program will end earlier. Pioneer-Pleasant Vale School District does not have any say as to how long we can continue to serve free meals to all of our students but we will keep doing it for as long as they will allow us to.

If you do not want your child/children to be part of the weekend meals and/or the virtual day meals please contact your child's school and let them know. Otherwise we will send the meals home with them on Friday. If you have any questions please contact Angi Koontz at 580-758-3282.
