

## ***SCW Return to Learn Information Sheet***

On October 5, 2020, School City of Whiting students will return to learn following our Hybrid Plan for those students who opted to return to school. Please review important information below regarding the return.

- If you selected your child to attend school online, his/her schedule will not change; he/she will continue to receive online instruction until the end of the first semester, which ends December 18th.
- If you selected your child to return to school following the Hybrid plan, ALL SCW students will follow an alternating schedule which will consist of days of instruction onsite at school and online from home.
  - Students have been assigned to either the A Group schedule or the B Group schedule and should plan to report to school on the designated A or B days.
  - Students will continue to attend all of their scheduled classes daily whether onsite or online.
  - Please review the scheduled days found on the back of this page.
- If your child has a school issued device, that device will stay at home even if you are coming into school for hybrid. Students DO NOT bring their device back to school. They will need their devices for participation on their online days when they are not in school.
- Students should limit what they are bringing to school to necessary school materials only. Students will be making limited stops at lockers/cubbies.
- Masks are required upon entering school. A cotton mask will be provided to students on their first day of school. Students will be expected to wash it as needed so it is clean for school each day.
  - Students can choose to wear their own mask from home, but it needs to be school appropriate and clean
- Uniformity of color is required for students coming into school. Check your handbook for guidelines of regular school wear expectations.
- Students will not be allowed to congregate outside of the school doors before or after school. DO NOT drop off students prior to 7:30 am for WMS or WHS or 7:45 am for NH students.
- When picking students up at the end of the day, please stand where indicated by the lines on the ground, social distance, wear masks, and do not loiter. Gates will be locked immediately following student pick up.

## Hybrid A/B Group Schedule

October 2020				
Mon	Tue	Wed	Thu	Fri
5 A	6 B	7 A	8 B	9 A
