

Brattleboro Union High School Spectator Policy - Fall 2020

Entry for spectators will begin 30 minutes before the posted start time of each game. Upon arrival, spectators should report to the "ticket gate" located in the faculty parking lot between the two fields.

Spectators will be limited to immediate family members, including grandparents, of those students participating at that specific event. Family attendance allowances at this time will be limited to four (4) spectators per BUHS participant/coach and two (2) spectators per visiting team participant/coach.

A will call list for BUHS family members will be located at the ticket gate, and attendance will be kept for contact tracing purposes. A roster provided by each visiting school will also be located at the ticket gate- visiting families will check-in, indicate which player that they are there for and provide contact information.

BUHS asks that all participants and families attending events adhere to the following protocols to help reduce the spread of COVID-19:

- There will be no fee to enter but spectators must sign-in before entering the field.
- Self-screen before attending. If you feel ill, please do not attend.
- Wear a facial covering upon arrival at our facility, during the game, and until departed. Bandanas are not an approved facial covering.
- Spectators failing to comply with the face covering requirement will need to leave the facility and jeopardize future attendance at games, both for themselves and others.
- Establish and maintain properly physical and /social distancing (at least six feet).
- Family groups may sit together with less than the required physical distance, but six feet of distance should exist between groups from different households.
- Other than the participating teams (and JV teams), sideline access will be limited to necessary game administration staff, and credentialed members of the media, who will undergo a health screening if they wish to have access to the team areas.
- Tenney and Sawyer Field will not have bleachers so spectators who wish to sit should bring their own chairs/blankets.
- Spectators will not have access to BUHS buildings. Portable toilets will be located on-site with a hand sanitizing station located at the ticket gate.
- Parents who bring younger children to the game are responsible for keeping those children close at hand as their own ability to maintain proper distancing may be limited.
- As always, spectators are expected to behave with appropriate sportsmanship.
- All spectators are required to leave the area once the game is complete. All athletes needing rides should be met in the parking lot. Nobody should be waiting on or near the field.
