September 25th, 2020

Dear Okaw Valley CUSD #302 Students, Staff, and Families,

Update: In-Person Learning will resume in all buildings starting Monday, September 28th, 2020. All students who checked-out Chromebooks and Hotspots will need to return those devices to the office of the building you attend. Dismissal time remains at 2:00 pm in all buildings through the Columbus Day Weekend. Thank you to the Moultrie County Health Department for the countless hours working with the district to keep students and staff safe. Due to the collaborated efforts the district can re-open safely as planned.

Breakfast / Lunch Program: All students in the Okaw Valley School District are now eligible to receive free meals through December 2020. This applies to students attending school in-person, and those attending remote learning. This is made possible by the extension of the Summer Food Service Program (SFSP) - a federally funded, state administered program that provides reimbursement from the U.S. Department of Agriculture (USDA) for any free meal served to a child age 18 and under. There is no paperwork needed from parents. All remote learners who are interested must contact their building in which they attend.

The district is overly proud to continue In-Person Learning at all levels. Thank you for your continued support as the district navigates through this rough period in time. We will continue to move forward in a positive direction.

We are committed to providing your child and our staff with a safe and healthy environment.

PLEASE NOTE – CALENDAR CHANGES ARE SUBJECT TO CHANGE
