Milton-Union Exempted Village Schools

September 25, 2020

Dear Students, Families, and Community Members of the Milton-Union Schools:

Along with other districts across the state and country, the Milton-Union Exempted Village Schools are navigating unprecedented and challenging times related to the COVID-19 pandemic. At this time, the district received verification that a Milton-Union High School student has tested positive for COVID-19. Following guidelines established by the Ohio Department of Health and in close consultation with Miami County Public Health, the district has completed contact tracing, and all individuals considered close contacts, including both the appropriate students and staff members, have been informed. At this time, the district has no further plans to alter any school or building schedules.

We are a close community. Our students, staff members, parents, caregivers, and school-community members constitute *family*. As we strive to be as transparent as possible, we remain equally committed to protecting the privacy of our students and families.

The school district also remains committed to its safety protocols. Further, we also want to encourage safe practices among our students, staff members, parents, and caregivers both in and outside of school. Thank you for your support, understanding, and patience as proceed through unprecedented circumstances.

Respectfully,

Brad Ritchey, Ph.D.

District Administration
Brad Ritchey, Ph.D. | Superintendent
Kay Altenburger | Treasurer
Laurie Grube | Director of Curriculum and Student Services
Mick Nealeigh | Director of Technology
Dan Baisden | Operations Manager
