GIRLS:

Payton Wurtz	1 st	14:31
Isabelle Stuhlsatz	4 th	17:20

Comments: These two girls are fun to work with and they continue to put up good results! Payton got her 2nd win of the year and Isabelle had her highest overall finish of the year with a 4th place. I know they would have liked to have faster times, but considering the course and the conditions, they competed well!

They have a quick turn-around with a large meet at Rock Creek that will be run on Tuesday, before the write-up even makes it into the newspaper. They will also be coming up on our longest workouts of the year, and I know they are up to the challenge!
