September 25th, 2020

Dear Prairie Home Family,

As we work to keep students and staff safe during this pandemic, we will share as much information as possible with you, while still following legal and ethical privacy rules.

We received information today that we had some individuals that tested positive for COVID-19 that attended our JH Basketball game on Tuesday, September 22nd. Please remember that the district cannot provide specific information about these individuals.

The district has been in contact with the Health Department. If the Health Department determines that someone was at high risk of exposure, those individuals will be contacted by the Health Department. However, if you or a member of your family is experiencing symptoms of COVID-19, seek guidance from the Cooper County Health Department or your medical provider.

Our district continues to take extra precautions (extra cleaning, increased hand sanitizer usage, etc.). Once again, we are trying to share as much information as possible with you.

Thank you for your support as we work to keep everyone safe.

Sincerely,

Scott Gemes, Superintendent
