Principal: Grant Torpin

Activities Director: Tammy Wieseler

Dear Parents –

On September 23rd the administration at Wynot Public Schools was informed that a student had tested positive for COVID-19. The student was a member of several large sub-groups leading school administrators to implement virtual learning for grades 7-12 effective September 28th through October 5th. Although not every student was directly exposed to the student, a large enough percentage was that we felt the safest thing to do was quarantine each of these grade levels. During this time frame, all in-person practices for sports and activities have been cancelled and we will attempt to reschedule all competitions.

During this 14-day quarantine period, students in grades 7-12 will connect virtually to all their core classes, college classes, and online classes (such as Spanish and Edgenuity). Classes that will not meet include Art, Band, Choir, PE, and FCS. All other classes will meet via Zoom or Google Meet at normal times which are listed below. During this time frame, virtual attendance and the completion of assignments is mandatory. Tables will be placed outside of the school building where students without internet can socially distance and still connect.

1st Period – 8:00
2nd Period – 8:55
3rd Period – 9:50

4th Period – 10:45
5th Period – 11:35 (HS)
5th Period – 12:15 (MS)

6th Period – 1:05
7th Period – 2:00
8th Period – 2:55

Lunch deliveries will begin for all quarantined students on Monday September 28th and will follow the planned menu. **Lunch will need to be ordered by 9AM the day before lunch will be delivered.** For example, orders for Monday must be completed by 9AM on Friday. This order form can be found on the front page of our school website under the "news" section.

While not everyone was exposed, during this two-week quarantine it is very important for all students to monitor their health and call the Nebraska Public Health Department if you experience any of the following symptoms. Their phone number is (420) 357-2200.

COVID SYMPTOMS

Fever or chills
Cough
Shortness of breath or difficulty breathing

Fatigue
Muscle or body aches
Headache
New loss of taste or smell

Sore throat
Congestion or runny nose
Nausea or vomiting
Diarrhea

Thank You,

Jeff Messersmith & Grant Torpin
