

Two-Week Staggered Re-Entry Plan

STAGGERED RE-ENTRY FOR 5-DAY MODEL

The Staggered Re-Entry Plan will be implemented for the first two weeks of students' physical return to their school(s). The Staggered Re-Entry will allow for dedicated time with reduced numbers for implementation of:

- Travel patterns within school
- Transportation bus route adjustments
- Breakfast and lunch cafeteria procedures
- Teaching of safety protocols

Staggered Re-Entry for 5-day Model Student Groups:

Students attending school in-person will be assigned a color based on the first letter of their last name. For example, if a student's name is Sally Jones, she will be color-coded as **BLUE** since all last names beginning with A - K will be assigned to the **BLUE** group. Sally will attend school on the days that have been assigned to **BLUE** students.

If your children have different last names, contact your child's school and request he or she be moved to a different group so that both of your children attend school on the same day(s). For example, if your children have last names Jones (**BLUE**) and Wilson (**GREEN**), you may request that both children attend school on the same day (either **BLUE** or **GREEN**).

TWO STUDENT GROUPS ORGANIZED BY FIRST LETTER OF LAST NAME

GROUP 1:  **BLUE** A-K

GROUP 2:  **GREEN** L-Z
