# Scheduling Information

**Senior Portraits are taken in the summer in order to meet yearbook deadlines.**

**BOOK NOW** in order to have the most choices for appointment times.

**The deadline is July 20th.**

- Go to <https://brantleyphotography.schedulista.com> to book an appointment.
- Once you select your desired appointment date and time, you will be prompted to complete the checkout process. Session fees are due at the time you book your appointment. They are refundable up to 72 hours before your appointment. Save your confirmation email!  
**You can use the link in that email to cancel your appointment.**

---

**Formal wear (tux and drapes) will be provided by Brantley Photography.**

You need to bring additional outfits, sports or other uniforms for those sessions that include additional outfits. We encourage you to bring props that identify with your interests.

Props will make your photo session fun and unique.

## Grooming for the Gentleman

It's best if you schedule a haircut 1 – 2 weeks in advance of your portrait session.

Shave the morning of your session being careful not to nick your skin.

## Grooming for the Ladies

We suggest you wear your hair in the style you wear every day!

This is how your family and friends see you every day.

We also suggest that you trim your hair a couple of weeks before your session so that your ends are fresh.

Hair should be styled so your eyes are visible to the camera.

**Make-up** We suggest neutral color tones.

**Translucent powder reduces sheen, please bring powder with you to your appointment for touch ups.**

Mascara and eyeliner will highlight, enhance and frame your eyes. Lip color brightens your entire face.

We also offer professional retouching to include skin smoothing, make-up enhancement, contouring, and teeth whitening. **Professional make-up artistry appointments available.**

# What to Wear

## 1. BE COMFORTABLE

If you do not like fitted clothing (super tight dresses or pieces that fit awkwardly) then leave them at home! If there are pieces in your closet that make you feel self-conscious or uncomfortable, don't include them in your senior portrait wardrobe! Additionally, we will most likely be sitting on the ground, laying down, walking and doing other things that could be difficult if your clothing is uncomfortable!

## 2. BE BRIGHT + THINK OUTSIDE OF THE BOX

On camera, solid black + white can make skin tones look very washed out and unflattering. So, when choosing outfits for your senior session, try to choose colors that POP and that compliment your hair + skin colors! Primary colors like red, royal blue and yellow photograph beautifully as well as emerald green, bright purples, pinks, oranges and any other colors that really POP!

## 3. ADD LAYERS

Even in warmer months (spring + summer) you can add these layers + dimension by wearing a tank top with a cute sheer cardigan or by throwing a denim vest over a dress!

## 4. PLAY WITH TEXTURES

Sometimes textures like sequins, furs and sparkles can be considered "daring" or "over the top". In portraits, they are the BEST! Adding texture to your outfit makes the biggest difference, and it prevents the images from looking dull!

## 5. DON'T BE AFRAID TO ACCESSORIZE

Don't forget to plan accessories!! Stacks of bangles, long necklaces, statement pieces, scarves, hats, bright shoes and other add-ons can make or break an outfit!

## 6. MIX IT UP

When planning your outfits, make sure that you have a VARIETY of looks! We tell our seniors to choose from these categories: casual, cozy, dressy, school related, sports-related, preppy or edgy. This provides a beautiful array of looks during your senior portrait session, so each outfit looks dramatically different.

## HAIR AND MAKEUP

Additionally, we recommend senior clients invest in professional hair and makeup. If it is in your budget, hiring a professional for your hair and makeup will make a drastic difference in the quality of your photos and senior portrait experience. You are already making a large investment in your senior portrait experience, so why not make it the best it can be?! **Brantley Photography offers professional make-up artistry services on premier sessions.**

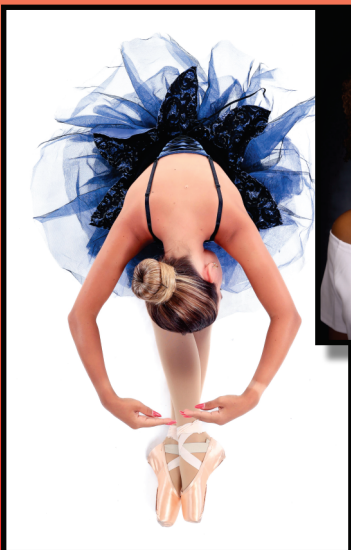

## DON'T NEGLECT THE NAILS!

In all of the chaos of senior session prep...don't forget your nails! During your shoot, a lot of the poses we do will have your hands close to your face and in the frame, so make sure that your nails don't distract from your face. Girls should avoid any chipped polish or crazy patterns. French manicures, light/natural colors and even nails with no color at all photograph best!
