Dear Parents/Guardians:

This letter is to help inform you of the Child Nutrition Program for the 2020-2021 school year. The Federal Government is presently serving all students free school meals. Tyrone School will continue to follow the government guidelines on this program as long as the funds are provided.

At the beginning of each school year applications that were approved Free and/or Reduced are carried over for the first thirty (30) days of the new school year. This year those applications would have ended on September 24, 2020. Therefore because schools do not know when the Federal Funds will end, we are asking that new applications be completed and returned to the school office by October 9, 2020. This will help prevent any increase of payment in your child's account.

All family households are encouraged to complete and return applications to the school office.

If you have any questions or concerns, please contact the school office at 580-854-6298.

Respectfully,

  
Josh Bell, Superintendent

Tyrone Public School
