We have some great News!

We have been notified that federal waivers from the USDA have been approved to allow us to feed ALL students for free. This includes breakfast and lunch for ALL NCE students. This will continue until December 31, 2020 as long as federal funding for the program exists. All Norman County East students will be able to eat breakfast and lunch free of charge beginning September 29<sup>th</sup>. We are excited to be able to offer this service to our students!
