# Reasons to Get Involved with the Summitview PTO...

- ☺ PTO is flexible and meets the needs of parents. There are a variety of ways you can become involved even if you can't attend our meetings. There is no cost to join and no contract to sign. We appreciate any time you can volunteer and all of our volunteers make a difference at Summitview!
- ☺ Your voice, ideas, skills and talents can help improve the quality of education for our children and our school.
- ☺ You'll be connected and know what's going on in our school, get to know our teachers, staff and administration.
- ☺ You'll be a part of the solution and help make positive changes at Summitview!
- ☺ You'll become a greater part of your child's early learning experiences and your child will benefit!
- ☺ Money raised pays for field trip transportation, assemblies, technology, fun student events, etc.
- ☺ We NEED you! Volunteering occasionally does make a difference and will benefit your child.
