

Attention South Fork Middle School Parents/Guardians,
Tomorrow is a minimum day as well as the Mustang Color Run from 9:00-12:00, release time will be at 1:00. If you plan to take your student home before they are released they MUST be signed out in the office, you CANNOT take them from the middle of the run/walk.

Students MUST have a permission slip turned into their home room teacher in order to participate. If they are not participating they will stay on campus in a classroom and complete work from their teacher.

Safety: We will have lots of volunteers as well as local Fire and Law Enforcement helping throughout the event. There will also be checkpoints along the course to assure that all participants are accounted for.

Water: Students can take personal water bottles with them on the course, or a camelpak type water pack. There will also be two water stations along the way.

VOLUNTEERS: All volunteers must check into the middle school office between 8:15-8:30, then with the volunteer leader, in order to volunteer in the event. You will find out your location/station after you have checked into the office. Please check in between 8:15-8:30.

Thank you!
