

In April 2021, Noble Public Schools will once again give the College and Career Readiness Assessment (CCRA) to all of our 11<sup>th</sup> Graders at Noble High School. The assessment that was planned to be given last year was the ACT assessment. This assessment was required to be taken by all of the 11<sup>th</sup> Graders and would have been provided free of charge. Since the majority of our students attend in-state colleges and universities, we believe this assessment is well-suited for our students and their college/university choices. This assessment also aligns with the Pre-ACT assessment that we utilize with our 10<sup>th</sup> Graders. Right now, we are considering utilizing the ACT assessment as the CCRA in April. If you have any questions, or concerns please feel free to contact the following people.

We look forward to hearing any feedback as we decide on the 2021 College and Career Readiness Assessment that is required for all 11<sup>th</sup> Graders. Below is a survey that the SDE has compiled for districts to use to assist in collecting feedback.

College- and Career-Readiness Assessment Stakeholder Consultation In compliance with Section 1111(b)(2)(H) of ESSA, Noble Public Schools would like to provide community stakeholders with an opportunity to provide meaningful input regarding our district’s intent to request permission to administer the ACT in lieu of the statewide assessment (SAT).
