# Title I

- Title 1 Schoolwide Program
- High poverty level – Community Eligibility Provision
- Do not have to identify particular students eligible for services
- Do not have to separately track federal dollars
- We can use all allocated funds to increase the amount and quality of learning time for all children

# Title I

## Goals

The goal is to generate high levels of academic achievement in core subject areas, especially those most in need. This purpose is achieved by:

- High quality instruction
- Comprehensive reform strategies using scientifically based research
- Strategies and methods to improve teacher quality and professional development

# Title I Part A

## Title IIA – Title IV

These funds are used in the following manner:

- Title I .25 Instructional Facilitator
- Title I Literacy Interventionist
- Literacy/Reading Aides
- Parental involvement materials and supplies
- Parental Involvement and Mentoring Coordinators
- Professional development
- Media centers materials and supplies,
- Supplemental online programs for math and reading
- Federal Programs Coordinator salary .5
- Homeless supplies for students
- Instructional Technology
- Material and supplies for classrooms.

# Title V - REAP

**Title V-State** – 100% of the Title VI-State allotment will be spend on Edgenuity and Freckle. Both programs provide powerful classroom and individualized digital instruction to help teachers improve student learning.

# Homeless

## **Dr. Netlla Cureton– Homeless Coordinator**

Paris students identified as homeless most often

- Lack fixed, regular, and adequate nighttime residence
- Are unaccompanied youth or homeless families with children who have experienced a long-term period without living independently in permanent housing
- Have experienced persistent instability as measured by frequent moves
- Can be expected to stay in that status for an extended time due to histories of unemployment, incarceration, or chronic health conditions

# Homeless

Title I, Part A funds can be set aside to provide services comparable to those of other students. They can also be used to support educationally related services that will help homeless students succeed in school and to meet academic achievement standards.

Homeless funds have been used for the following expenditures:

- School supplies (backpacks, notebooks, etc)
- Fees for ACT and ACT prep that are not waived by colleges or universities
- Clothing
- Graduation cap and gown and graduation fees
- Shoes necessary to participate in general education or physical education program

## Parent Communication

- Class Dojo building wide. This tool helps break down any barriers of communication between parents and teachers. The program connects parents, teachers, administration, and students. Constant communication will ensure better parental involvement and engagement. Parents have access to announcements, photos, daily discipline logs, and an instant messenger board.
- HAC/Parent Involvement- Dana Taylor- grandparents day, literacy night, and school carnival.
- Monthly newsletters, Facebook page, and district website
- Google sheets to document home contacts.

# Class Dojo

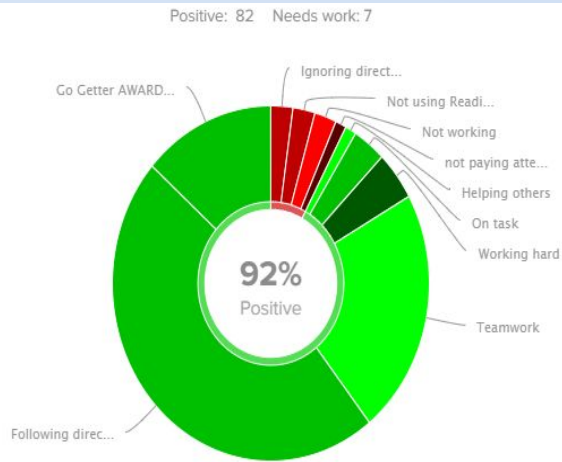

Wow! Look how your school community came together last week:

 **162** messages sent home

 **65** stories shared

 **2,806** skills celebrated

 **89%** positive feedback

All parents connected! 😊 👍 🍕

Way to go! All students in your class have at least one parent connected.
