September 30, 2020

Dear Raccoon Parents and Guardians:

We want to inform you that we have two staff confirmed positive cases for COVID-19. The school district is working with the County Health Departments and is following the proper guidelines. Any individual who had close contact with an affected individual will be notified by the health department and will be quarantined based on IDPH guidelines. Due to these guidelines, I have assessed the situation and have found it necessary to send four additional staff members home to be quarantined for the designated time specified by the County Health Departments.

I want to remind you to continue to follow safe practices such as hand washing, wearing masks, and social distancing. If any COVID symptoms develop, please report them to the school nurse.

Sincerely,  
Misty Johannes, Superintendent
