

Virtual 2020 Eye On Education Brochure

Below is a full list of all corporate partners participating in this year's Eye On Education Collaborative.

Alma
STUDENT INFORMATION SYSTEM
916.257.1534
joe.dominguez@getalma.com

GetAlma.com

Empower progress. Spark potential. Alma builds critical SIS tooling that significantly improves school operations and empowers learning communities to foster better student outcomes – so we can create the greatest generation of educators, so that they can create the greatest generation of students. Impressively designed and easy to use, Alma provides the industry's best student information system, including: enrollment and registration, distance learning tools, student demographics, attendance, advanced scheduling, discipline, grades, state reporting, custom report cards, parent portal, student portal, standards-based and traditional gradebook, reporting, custom form builder and much more. Please call us to learn about our special SSDA pricing!

AMR Plastics, Inc.
559.731.1362
joeb@amrplasticsinc.com
amrplasticsinc.com

AMR Plastics provides plastics engineering design and production solutions to California schools. Our current focus has been to help schools, healthcare and businesses with PPE equipment to include school desk barriers, sneeze guards, face shields and partitions. We are also focusing on providing design solutions for custom barrier needs. Our engineers provide on-site consulting so as to establish drawings for needed plastic products. If we can make a drawing, we can make the part.

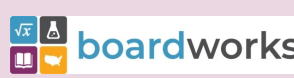

BoardDocs, a Diligent Brand
800.407.0141
sales@boarddocs.com

boarddocs.com

BoardDocs is part of Diligent, the pioneer in modern governance. We empower school district leadership by providing unparalleled insights and a highly secure, collaborative virtual meeting platform, positioning school boards to thrive in today's digital age. Our trusted system streamlines board management, enables collaboration and role-based information sharing across the community, and provides essential transparency for public education leaders and their constituents. Designed with inclusivity and mobility first, our tools allow efficient public meeting preparation and execution whether in-person, remote, or hybrid situa-

tions. Diligent's next-generation 'Community' platform enables organizations to maintain continuity of governance during times of uncertainty and unexpected change. SSDA members receive exclusive pricing. Visit learn.diligent.com/SSDA to request more information.

Boardworks Education
610.608.1283
jordan.decker@boardworksed.com
boardworkseducation.com

Boardworks empowers teachers with over 25k slides of interactive content built to enhance instruction through any and all classroom devices. Standard-aligned, K-12 Math, Science, ELA, and SS content can support engagement in any teaching modality while being a very simple and effective supplemental resource.

ClassLink
862.225.1513
nsmith@classlink.com
classlink.com

ClassLink is the award-winning provider for saving time and money by securely managing online digital resources for remote learning by automating and streamlining account access, all with unparalleled seamlessness and visibility. ClassLink subscriptions come with unlimited support for the following all-inclusive services: Single sign on, Rostering, single point file access from anywhere, Analytics with real time usage for all resources, automation (provisioning) of onboarding and offboarding of district accounts, and free parent portal. To see why we are the most utilized and trusted SSO provider, visit www.classlink.com/resources/remote-learning.

Curriculum Associates
559.899.9300
JToles@cainc.com

CurriculumAssociates.com

Founded in 1969, Curriculum Associates, LLC designs research-based print and online instructional materials, screens and assessments, and data management tools. The company's products and outstanding customer service provide teachers and administrators with the resources necessary for teaching diverse student populations and fostering learning for all students. Learn more at www.curriculumassociates.com.

Development Group Inc.
530.229.0071
sales@development-group.net
dginext.com

DGI is a premier technology integrator exclusively focused on the education technology needs of our community of K12 schools in California. For more than a decade, we have worked with school districts of all sizes to integrate technology with curriculum. Now more than ever, we are committed to the service of public education by working to ensure that technology helps to eliminate inequity for all students, whether learning in the classroom or at home. Through the innovative use of technology, DGI can work with you to solve the "digital divide" and provide connectivity and support to your students and families.

Eastshore Consulting LLC
510.725-2930
info@eastshoreconsulting.com
eastshoreconsulting.com

Eastshore Consulting provides trusted advice to meet the financial and political needs of California school districts. We are committed to using our 40-plus years of combined senior experience to serve as your true fiduciary, providing sound, independent recommendations and guidance that always puts you and your community first. We offer financial advisory and facilities planning services, bond and parcel tax election strategies, public relations assistance, and fiscal and policy consulting.

Effective School Solutions
973.299.9954; 215.983.7089
mroseman@effectiveschoolsolutions.com
effectiveschoolsolutions.com

Since 2009, Effective School Solutions (ESS) has been a leader in in-school mental health. We are committed to reinventing K-12 mental health care practices through the development of partnerships with school districts to help them implement innovative mental health programs that improve care, strengthen outcomes, and maintain students in-district. We introduce mental health best practices and clinical programs into the traditional

school day, providing each student with comprehensive support tailored to their needs. We've organized this approach into a framework called the MTSS Framework for Mental Health Care creating the perfect marriage between the therapeutic and school environments.

Express Readers
626.644.4907
lovejoy@expressreaders.net
expressreaders.org

Express Readers is a TK-2nd Grade Foundational Skills and Reading Program. Our company supports our teachers, our program engages all students, and our teacher-created resources provide a complete program to fit all teacher and student needs.

Forecast5 Analytics, Inc.
630.955.7666
bmanikas@forecast5analytics.com

forecast5analytics.com

Forecast5® Analytics provides decision support systems and applications for school district leaders. Forecast5's state-of-the-art analytics technology helps you identify strategic and financial opportunities with highly visual output in the areas of financial performance, compensation, enrollment/demographics and student performance. More than 2,000 school districts across the country use Forecast5 tools to maximize their data insights.

Jones Hall
415.391.5780
kfinn@joneshall.com

joneshall.com

Jones Hall is one of the most active municipal finance firms in the country, representing over 1,100 California public entities as bond or disclosure counsel since its founding in 1978. Our attorneys' depth and breadth of experience, and the resulting knowledge and creativity we bring to the structuring of transactions, sets Jones Hall apart. A team of JH attorneys are experts in school facility finance, including the issuance of tax-exempt general obligation bonds and related election proceedings, certificates of participation, refunding issues, and other financing vehicles.

MeTEOR Education
925.727.2827
glabier@meteoreducation.com

meteoreducation.com

MeTEOR Education is here to help communities across the country modernize and humanize the learning experience so that their teachers and students are empowered to reach their full potential. We partner with educators, students, and whole communities as they strive to transform their learning environments and experiences. Our local studios help community stakeholders connect the dots between all the pieces of the learning experience. We provide expert assessments, help develop short and long-term plans, consult on all aspects of the learning process, and manage all implementation details.

National University
 916.817.7515
dbrandt@nu.edu
nu.edu

National University is among the largest private, nonprofit institutions of higher education in California, with more than 175,000 alumni across the globe. Dedicated to making lifelong learning opportunities accessible, challenging, and relevant to diverse student populations, National University offers more than 75 graduate and undergraduate programs in a unique 4-week format on campus, online, or a hybrid approach. National University offers the Certificate in Online Teaching, a 10-module online professional development program to help teachers transition from classroom to online teaching. The Certificate in Online Teaching is stackable for course credit toward a Master of Arts in Education degree.

NutriStudents K-12
 Menu Freedom. Over 100 Certified Weeks. **844.204.2847**

amanda@nutristudentk-12.com
nutristudentk-12.com

NutriStudents K-12 helps Food Service Directors run profitable, USDA-compliant, efficient school nutrition programs with a 40-week rotation of student-approved menus. Complete with downloadable compliance reports, scalable recipes and promotional resources. Extensive behind-the-lines support, including Administrative Review preparation and interactive tools for compiling distributor orders and projecting commodity usage, help streamline daily operations. The platform helps districts expand participation, increase revenue, reduce waste, and simplify day-to-day responsibilities. NutriStudents K-12 is nationally contracted under Sourcewell, a national cooperative purchasing organization, and is endorsed by AASA - the School Superintendents Association. Learn more at MenuFreedom.com.

Performance Education Partnership, Inc.
 626.475.7587
nancy@pepfire.org
pepfire.org

Based on an in-depth analysis of an LEA's current reality and unique needs, Performance Education Partnership (PEP) provides customized in-person and online training, coaching, and consulting services for building system coherence and developing shared leadership. Forged by F.I.R.E, district and site leaders create opportunities and find possibilities in uncertainty following one simple rule: Attend to the whole, the part, and the greater whole. PEP's research-based, theory-to-action approach has proven results using a district's existing resources. Participants are guided to ignite their District's F.I.R.E. by Focusing direction, Inquiring to deepen learning, Reflecting collaboratively, and Empowering through shared accountability.

persinger architects Persinger Architects and Associates Inc.
 and associates 707.481.0963

alexis@persingerarchitects.com
persingerarchitects.com

Persinger Architects specializes in working with small school districts throughout California. We can help you design the COVID-19 facilities changes necessary to reopen safely. We can also help you maximize your available facilities funds with grant writing and master planning to support future bond efforts.

PresenceLearning
 619.550.6943

michelle.brownlee@presencelearning.com

presencelearning.com

PresenceLearning, Inc. is the leading provider of live online special education-related services to K-12 schools. The company connects speech-language pathologists, occupational therapists, and behavioral and mental health professionals with students through its proprietary online platform, and has delivered more than 2.5 million teletherapy sessions to hundreds of K-12 schools and districts across the U.S. through its network of more than 1,000 certified clinicians.

Pyjama Drama Learning
 805.709.0761

sarah@pyjamadramalearning.com
pyjamadramalearning.com

Stand Up and Act Out is a drama-based "Upstander" curriculum that supports social and emotional learning. Through simple role play activities and games, even "drama-shy" teachers create a climate of acceptance and respect within social distancing constraints and/or distance learning.

Students learn to:

- Recognize and celebrate differences in their own school and the wider world
- Recognize when someone is being teased or bullied because of real or perceived differences
- Respectfully confront bullying/teasing and give comfort to the individual being targeted
- Manage emotions, show empathy, and make responsible decisions
- Develop and apply leadership skills

RAYMOND JAMES®

Raymond James & Associates, Inc.
 303.424.6406

john.baracy@raymondjames.com
RJCSchoolbonds.com

Raymond James is a leading public finance bond underwriting firm for K-12 school districts, both nationally and in California. Our services include the issuance of general obligation bonds, certificates of participation and financing for energy, equipment and other facilities. Raymond James has four public finance offices in CA, located in Los Angeles, San Clemente, San Diego and San Francisco, more than any other underwriting firm active in California K-12 school district bond underwriting.

Shmoop
 469.774.9211
chiko@shmoop.com
shmoop.com

Shmoop is an education technology solutions company that was founded with the idea that learning was just too hard. Shmoop offers seven core education products which include 400 Online Courses and Teaching Tools, Test Readiness Programs, Heart-beat, Intervention, Study Guides, Study Tools, and College Readiness Solutions. We believe that students can love learning, and humor can be the catalyst of engagement. To support this, we build classroom tools that give all students equal opportunity to succeed through easing the stress of the learning environment.

SitelogIQ
 877.938.7059
energymanager@sitelogiq.com

Sitelogiq.com

SitelogIQ is a leading independent U.S. energy efficiency and facility solutions company operating in California since 1987. We are a national provider of Engineered Infection Protection (EIP), energy efficiency and master facility planning solutions, offering the full range of design engineering, construction, management, energy, and lighting solutions. While the pandemic has caused great disruption, we believe focusing on the SitelogIQ Continuum of Readiness will ensure you are able to emerge stronger and better positioned to serve your students and staff well and rebuild community confidence in the midst of uncertain times. RESTORE – PREPARE – REBUILD

What are the challenges for your school? Ask us. We have answers.

Teacher's Pension
 209.603.3485
blee@tpensions.com

tpensions.com

83% of Americans are concerned about their long-term financial situation. On average, STRS/PERS retirees receive only 56% of their final salary. How have you assisted your employees in planning for a financially sound retirement? Let Teacher's Pension be your retirement partner. Teacher's Pension

(www.tpensions.com) provides an unbiased, comprehensive, multi-tier approach to retirement planning (Environment, Education & Management) at no cost to the district or employee. As a consultant/broker, we work only with district-approved 403b/457 vendors. Teacher's Pension is a proud SSDA Platinum Sponsor and strategic partner of Capitol Advisors on retirement issues. For more information contact, Bob Lee at blee@tpensions.com or 209.603.3485.

Technology in Education
 509.290.0999
greg@technologyineducation.net
technologyineducation.net

TiE partners with school districts and schools of all sizes to support technology integration initiatives. Most of our work involves instructional technology resources that are used in the classroom, but we're happy and able to support facilities and infrastructure needs as well. Focused partners include Newline Interactive, HoverCam, Front Row, Alive Studios, Mathspace, etc.

thinkLaw
 702.318.7512
colin@thinklaw.us
thinklaw.us

thinkLaw is focused on solving The Educational Equity Equation (Equity = Academic Success + Racial Justice) by helping education leaders make equity actionable at the classroom level. We are helping educators give students the tools to break the things that need to be broken with our virtual professional development, critical thinking curriculum, parent workshops, and community hack-a-thons for social change as part of a sustainable, curriculum-agnostic approach to close the critical thinking gap.
