30 - Drive Thru Trunk or Treat
Free Event - Mesquite Trails Elementary

31 - 

- PRINCIPAL'S CORNER -

Hello Eagles and Eagle Families,

Can you believe we are already in October! This year is already going by extremely fast. I want to thank all of you parents and guardians for attending parent conferences recently. Our teachers were excited to connect with you and are very appreciative of the support. Being a team for your child's education is vital now more than ever. Thank you for continuing to make sure your child attends their meetings, completes their work and practices responsible distance learning behaviors. There has been much to celebrate over the past few weeks, but one major accomplishment was the startup of select cohorts on campus. A few students have been brought back onto campus for a limited amount of time as we continue to prepare for the reopening of campuses. Our district is in the process of applying for an elementary waiver that will allow all students to return via the hybrid model. Once that waiver is approved, more information will be sent out describing how this will work. In the meantime, continue to work hard through distance learning and stay safe. We will continue to have the highest of expectations and soar above all challenges.
