

Welcome to 4th Grade at Iroquois Elementary School! 2023-2024

Supply List for 4th Grade

- 3 glue sticks (not bottles)
- 1 Box of pencils per student: (If you choose to use mechanical pencils, you also need to supply the replacement lead).
- Markers
- Pencil POUCH. The ZIPPERED POUCH STYLE works much better for 4th graders! They have a tendency to drop their pencil boxes/pouches. When they drop the boxes, the boxes break and all of their items spill all over.
- Composition notebook
- Two (2) boxes of tissues
- Hand-held pencil sharpener
- Optional: Small hand sanitizer for student's desk

Learning Support Classroom (if you attend a LS class)

- One (1) Box of Tissues

Read 180 (if you attend Read 180)

- * One (1) Box of Tissues

- Some of these supplies may need to be replenished throughout the school year.
- Please label all the student belongings.
- Please have these supplies ready to go on the first day of school! 😊
- If you purchase 'more than enough' of an item than your child can reasonably keep in their locker, or book bag, please keep the extra supplies at home so your child can "replenish" as the year progresses. Thanks!
