Good morning Mustangs!

Do you ever have a question on your homework that you can't get answered during class? Students now have the opportunity to receive after school tutoring on most Tuesdays, Wednesdays, and Thursdays starting this Tuesday, September 29th. Sign up at least 24 hours in advance of each of the days that you want to attend. Transportation is not provided, and students must be picked up at 4:05 p.m. If you are struggling in a class, here's your chance to put in some work. There are no shortcuts, sometimes we just need to do work!
