Public Notice: Adams Central Community Schools

Thursday, Oct. 1, 2020

Adams Central Parents,

Please be informed Adams Central was notified today that a high school student tested positive for COVID-19. At this time, we are conducting contact tracing and will remove students from attendance who may have been in close contact with the positive individual.

Families of students identified as a close contact will be contacted immediately and will be provided with expectations regarding quarantine and other necessary information to ensure school instruction and curricular needs are in place during the time of quarantine.

In order to help prevent the spread of the virus, we ask all parents to consider these reminders:

- Screen your students daily for symptoms of COVID-19.
- When outside the home and in public, practice social distancing and wear a mask.
- If your student is sick, please keep them home and contact school health officials.
- If your student gets tested, please contact the school. You must keep your student at home until you receive the test results and you are cleared by the school to allow them to return.

Thank you,

Joel D. Mahaffey, Superintendent
