

Virtual Hang Time Registration Form

During the 2020-2021 school year TEEG's Youth Services team will be providing a virtual form of our hang time program for students to get school tutoring provided by a college level student and their peers, ensure they have all the resources they need for distance learning or hybrid school models, and provide hang out time with virtual activities. Virtual Hang Time will be held Thursdays from 4:30-5:30 and will be free to any student who wishes to join. The email address that is received on this form will be provided a zoom link along with a set of guidelines and privacy rules for students. This group will be moderated primarily by Cam Saracina, a member of the youth services team and social work program student at Eastern Connecticut State University and supervised by Jill Bourbeau, Youth Services Manager at TEEG. Any further inquiries about this program can be sent to camerons@teegonline.org
