

Marine Chef Challenge

October 12 – 16th is National School Lunch Week! This year, along with sampling new foods and science experiments, we will be having a design contest!

One student from each grade will be chosen to help prepare school lunch on Friday the 16th. We will be serving pizza that day and the winners will get to help make the pizza for you and your classmates to enjoy!

Design a placemat, get creative, and make sure to put your full name and your grade on it and turn it in to Mrs. Gough by Wednesday the 14th. Designs will be displayed in the cafeteria the following week.

Good luck and we look forward to seeing your designs!
