

October Newsletter

The 2020-2021 school year is off and running! I have been amazed by all of our staff and students flexibility and hard work to make sure we can stay in school! I also want to thank all of the parents, community members, and everyone else that have worked together to support us and help keep everyone as safe as possible by following guidelines we have in place. We know this has been difficult for everyone with how quickly things can change. We all hope it gets back to "normal" soon, but until that time comes we will continue moving forward with everything in place to hopefully keep students in school!

It is also hard to believe that fall is in the air and winter is right around the corner. With this in mind there is always the chance for poor weather that may cause a late start, early release, or cancellation. We use several methods to inform parents and the community if this should occur:

1. Our automatic calling system which includes email, a text message, and a phone call. Please contact the school if you need to update any of these or have not been receiving alerts the first couple of months. We have a new system in place so we have been working through some issues that came up.
2. Our new website (www.croftonschools.org) and app will have information under "Live Feed". On the app, select "All" to see all updates. "Live Feed" is located on the front page of the website or there is a link under "Menu" at the top of the page.
3. Social media - Twitter and Facebook
4. Channels 4 (KTIV) and 9 KCAU
5. KYNT 1450, 93.1, 94.3, and WNAX 570, and 104.1

Thank you for all the great support of our school district! Enjoy the fall season and all of the activities taking place, Go Warriors!

Sincerely,

Chris Look
Superintendent

FCCLA NEWS

Nebraska FCCLA is going virtual this fall. This is providing additional opportunities to the Crofton FCCLA members to be able to attend a variety of state organized events that we have not been able to attend in the past due to the distance and timing of these events. We are looking forward to experiencing our first ever virtual District Leadership Conference on October 21st. District 8 FCCLA representatives are working hard to organize live and pre-recorded sessions! At this time we are hoping to participate in STAR Competitions in person, however we are also preparing to compete virtually as was done for the National Leadership Conference this summer.

For those who are still interested in joining FCCLA, it is not too late! Talk to one of our officers or Mrs. Thoene if you would like more information! We are looking forward to an exciting year ahead!

Crofton FFA News

Greetings from the Crofton FFA Chapter! We would like to begin by introducing the 2020-2021 Crofton FFA Officer team. President - Lauren Busckhamp, Vice President - Connor Arens, Student Advisor - Brooklyn Fiscus, Secretary - Cassie Altwine, Treasurer - Jada Schmidt, Reporter - Hope Steffen, Historian - Anastacia Suing, Chaplain - Abigail Steffen, Parliamentarian - Calvin Dather and Sentinel - Jaden Zimmerman. Unfortunately, without an end-of-the-year banquet due to the COVID-19 Pandemic, we were not able to properly recognize the outgoing officers and welcome the new officers. The vast majority of our “normal” spring and summer activities were cancelled and FFA members who worked hard all year did not get to take part. Many members, however, did get a chance to exhibit at the **Knox County Fair** this summer! We had exhibits in beef, swine, sheep, goats and rabbits. We held our first **chapter meeting** on August 25th at the high school. After covering the agenda, we had pizza and

played some fun games. We had a great and a fun time was had by all! Our second 28th and we have 55 members in which was supposed to be held in Pierce was members recently wrote essays for the “**Blue** That is the most we have ever submitted. We would like to thank Galen Schumacher (SKCI) and Ray Keiser

(SKCI) for helping with harvest and working with the students in the field to help estimate yields and discuss soybean production. Students will also be involved in the upcoming harvest of the **FFA corn plot** in early- to mid-October. We will begin **fruit sales** during the last week of October. As the year goes on, we will plan to participate in community service events. Members should watch the announcements for **homeroom meetings** to discuss each event! We are having a difficult time finding an evening to meet in October due to the many sporting events on the schedule. Therefore, the date of the regular monthly meeting is yet to be determined and will potentially be held in homeroom or before school. Members will be starting to practice for the **Leadership Development Events** that will be at Emerson-Hubbard High School on December 16th. As you can see members have many events in which they can participate. We hope that all of our members take advantage of the many opportunities to build their leadership skills throughout the year. Happy Fall!
