Re: Application from and Limited Assessed Value Agreement with
CI III Kontiki Wind Energy LLC

Dear Eric:

I am pleased that the District accepted for consideration the application from CI III Kontiki Wind Energy LLC at the May 12th Board meeting. The application was deemed complete and submitted to the Comptroller today. Therefore, enclosed is Underwood's statement for services on this project, along with an electronic copy of the application as submitted. The District's original follows by U.S. Mail.

Also, now that the District has deemed the application complete and is considering it for approval, be advised that the District must post the following link on the District's website to the Comptroller's website where application documents are posted:

The Underwood Law Firm appreciates the opportunity to work with Reagan County ISD on this 313 project. As always, if you have any questions, please do not hesitate to call.

Sincerely,

Fred Stormer
