Reagan County ISD Summer Professional Development

We are required to have 24 hours of professional development over the summer. We are using Eduhero to help with our professional development hours. Everyone is required to take the 2022-2023 Required Training Plan. The 2022-2023 Required Training Plan will be available on May 30, 2022 and ends on August 5, 2022. This will give you 12 hours of professional development training. Any additional training from Region 18 and 15, can be used to get your last 12 hours or you can select courses from Eduhero you wish to take. Reagan County ISD will offer some training over the summer as well. Once you log into your Eduhero account your training will be under My Plans on the home page. All 24 hours of professional development training are to be completed prior to August 5, 2022.

Local Trainings

Training Title	Date/ Time (8:30-3:30)	Audience	Location
