RE: USDA Extends Summer Meals Program - Weekends

Dear Rams Family,

As part of the USDA's extension of the summer meal program, Shelbyville CUSD #4 is pleased to provide meals (breakfast/lunch) to students for free each weekend (Saturday/Sunday) through the end of the first semester. Below are the highlights of the program:

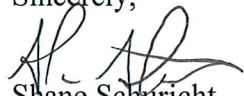

- Each Friday at the conclusion of the school day, students will receive a bag of meals for the weekend. This will begin on October 9th, 2020.
- Pre-K - 5th Grade: All students will receive a bag of meals containing breakfast/lunch for Saturday/Sunday from their classroom teacher at the conclusion of the school day every Friday.
- 6th - 12th Grade: Moulton Middle School and Shelbyville High School will each have 100 bags containing breakfast/lunch for Saturday/Sunday for students to take home with them every Friday. There will be a designated area that students can pick up their meals. Each student should pick up their own bag of meals. After the first week, the district may increase the amount of bags of meals provided based on need.
- Remote learners should call the cafeteria at Moulton Middle School if they wish to receive weekend meals. The number for the cafeteria is 217-774-2169 ext. 3230. Please leave a message if nobody answers the phone.
- Students are encouraged to refrigerate their meals as soon as possible to ensure the freshness and quality of the meals for consumption on Saturday and Sunday.

If you have any questions, please contact the Moulton Middle School kitchen, or one of the school offices.
