Dear WMHS Parents,

I wanted to share with you today's events that occurred with RSU 12 students attending WMHS. This morning as students were arriving at school, WMHS administration learned that all elementary RSU 12 students were all going to attend school fully remotely.

As a precautionary measure, we did not unload students of RSU 12 here at Wiscasset not knowing any risk of exposure. We sent them home and had them attend their WMHS classes and BRCTC classes remotely until further detailed information was available regarding the closure. RSU 12 administration reports there was no exposure to any students attending Wiscasset. We apologize if this caused anyone undue hardship. As you know the safety and welfare of all our students is our first priority.

At this time, all WMHS RSU 12 students will be attending Wiscasset classes as regularly scheduled on Monday, October 5, 2020.

If you have any further questions please do not hesitate to call WMHS office 882-7722. Thanks again for your understanding and support.

Charles Lomonte
Principal, WMHS
