Dear Families of La Farge Middle and High School Students,

As you are aware, based on data released yesterday by the Vernon County Health Department and in alignment with our District guidelines, La Farge Schools has shifted into the yellow status of our 2020-2021 Responsible Reopening plan.

Students in grades 6 - 12 will shift to mandatory remote learning Monday, October 5 for at least two weeks. Please see our website for more information about the District's guidelines for shifting instructional models. Friday, October 16, will be an Inservice day for teachers, and a no school day for students.

*(This is a change to the calendar- Inservice/No School is moving from Monday, October 12, to Friday, October 16, for Middle and High School).*

## Schedule and Expectations:

Below is the schedule that teachers and students will be using for the next two weeks. Students will be expected to log in to their class Google Meet links at the days/times listed below in order to be marked as present for attendance. Teachers will be conducting live classes from their classrooms at these times.

Times	Mon/Wed (A Days)	Tues/Thurs (B Days)	Fridays
9:00	1st Hour	5th Hour	Student Work Day & Teacher Check-Ins (Office Hours)
10:00	2nd Hour	6th Hour	
11:00	3rd Hour	7th Hour	
12:00	4th Hour	8th Hour	

Teachers will ensure that students have appropriate breaks in between classes. Afternoons are to be used for assignment completion, and small-group or individual check ins with teachers as scheduled.

Middle School students' chromebooks are scheduled to be delivered to homes on Wednesday, October 7. Students in grades 6 - 8 who do not have a device they can use to participate in live classes on Monday and Tuesday should be in touch with their teachers by phone.

Standard late-work and grading policies apply.

Students who have been learning virtually since the start of the year should participate in this schedule for the time being.

**Food Service during Remote Learning:**

Meals will be prepared and delivered to all regular participants of our breakfast and lunch program. Meals are provided to students at no cost. Meals will be delivered in bundles on Tuesdays and Friday.
