News from the Principal....

10/2/20

TOGETHER WE ARE BETTER

I want to acknowledge how challenging this week was for all families to have to re-adjust again to our 2 day school closure. I'm sure it is stressful to find additional daycare, support learning at home and still go about daily routines, work included. Thank you for being flexible while we ensure the health and safety of all students and staff.

Technology to support home learning continues to be a focus for us here at MES. We have new devices for students, (iPads in transit) and new platforms for communication and instructional support. Our learning curve has been steep but I know we will continue to improve and be able to interact with students when remote learning is the only option.. If on a Wednesday morning you are unable to open documents, unsure about the expectations, etc.. please contact your child's teacher via email or SeeSaw. They are all working on Wednesdays and are available to answer questions as needed. The teacher's typical work day is still 7:30-3:00 here in the building, many

“Coming together is a beginning; keeping together is progress; working together is success.”

Henry Ford

are here long after 3:00, (often more hours at home) so please don't hesitate to ask for any additional information needed.

Note:

Oct.9th; Teacher Workshop; No School

Oct. 12th: Indigenous People's Day No School

Wednesday will remain Home Learning Days

Bus Driver Appreciation

Please take a moment to say thank you to your child's bus driver during Bus Driver Appreciation!

Custodian Appreciation Day

We would also like to thank our amazing custodians - Curt Williams and Bryan Arthurs - for all their hard work and dedication during this time of Pandemic.
