information

Have questions or ideas about our town? Want to talk to your elected officials?

Join the virtual Town Forum! This forum is a wonderful way for Borough representatives and members of the community to connect. Use the Zoom login available on collingswood.com to join in and ask questions or share ideas. Everyone will have a chance to speak and discuss with Mayor Jim Maley and Commissioners Joan Leonard and Robert Lewandowski.

Forums provide residents with the opportunity to tell their government specific concerns impacting their neighborhood, issues such as public safety, public works, recreation, etc. They are conducted in an informal manner and open to all.
