

# WEEKLY WARRIOR

*Calamus-Wheatland School District*

## From the desk of Mrs. Kelting

Hello, October! Normally this month is full of a ton of activities, but this year like everything else, they will look a little different. Next week is fire prevention week. Usually our students get to take part in a presentation and fire truck rides from the local fire departments. Due to our current times we are unable to have the fire departments come in, but keep an eye out for a fire prevention activity from the departments. This is always a good week for your families to discuss what you would do if there was a fire in your home.

In the month of October, the state of Iowa celebrates making healthy choices through their Healthiest State Initiative. On Wednesday, October 7, as a Warrior Family, we will walk for thirty minutes, weather permitting. Please remind your child to wear appropriate clothing and shoes for the event.

Parents that are dropping off students in the morning, please stay in the drop off line. Please stay in a single file line, which will include the buses and pull up as far as you can to the library doors and let your son/daughter out anywhere on the front sidewalk. If you choose to walk your son/daughter to the doors please park in the parking spots and walk them to the front doors. Have a great week, Warriors!
