Finally, I acknowledge any and all Workshops are for educational purpose; Attendees will receive training similar to what would be given in an educational environment; the schedule and Attendee's attendance of the activity were planned around and accommodated by my public school institution; the duration of the workshop is limited to the period in which it will provide the Attendee with beneficial learning; the Workshop complements, rather than displaces, the work of paid employees while providing significant educational benefits to Attendee; and I understand the Attendee is neither entitled to compensation or a paid job for or upon completion of the Workshop.

During COVID-19, I fully understand and agree that True Kids 1 requires that the Attendee comply in all respects with the laws and orders of the State of New Mexico. When in personal contact with any other attendees, Board members, volunteers, officers, employees, agents, or representatives of True Kids 1, the Attendee will adhere to social distancing protocols and wear a covering of their nose and mouth at all times.

I fully understand that a malicious cyber event by a malicious cyber actor, including, but not limited to, cyber security, video-teleconference hijacking (commonly referred to as Zoom-bombing) or cyber bullying, beyond the control of True Kids 1 may occur during the Workshop ("Malicious Cyber Events").

\_\_\_\_\_ I am the parent or legal guardian of the named individual/attendee above and give permission for my child to participate in the program with True Kids 1 for the 2020-2021 school year.
