Parent/Guardian,

This letter is to inform you that we have had a positive test for the Corona Virus at Unity High School. Your child was not in direct contact with this student but we want to inform everyone so that you can be on the lookout for possible symptoms of the virus. Parents of children that are in direct contact with this individual in the classroom setting/bus will be notified by phone. As relative information becomes available, we will share what we can regarding these types of situations.

Sincerely,

Andrew Larson, Unit 7 Superintendent
