

Pandemic EBT Benefits Fact Sheet

- On September 24, 2020, Oregon was approved for a P-EBT benefit issuance totaling \$35,624,870.
- To be eligible for the P-EBT August/September meal benefits, a student must:
 1. Have been reported to ODE, between July 1 – September 22, as enrolled in a school sponsoring the National School Lunch Program in School Year 2021;
 2. Be eligible for no-cost meals in School Year 2020 or 2021; and
 3. Be missing National School Lunch Program or Seamless Summer Option meals On-Site at school for at least 5 consecutive days in School Year 2021 due to COVID.
- Families can visit the [Pandemic EBT webpage](#) to view the September Benefit Issuance Chart.
- Beginning on September 28, we will be issuing \$100 in September P-EBT benefits to 313,342 Oregon students, totaling \$31,334,200.
- Additional P-EBT benefits will vary by school district.
- Districts that are open for 100% in-person or on-site school are **not** eligible for September P-EBT.
- There is no application for families to submit for benefits.
- Student information was not collected directly from schools:
