

FPLS Parent/Guardian,

Due to the increased need for access to healthy meals caused by the COVID-19 pandemic, the USDA has extended all Child Nutrition waivers to December 31st or until such a time as program funds are no longer available. Under these waivers, Fayetteville-Perry Local School District will serve breakfast and lunch to all students for **FREE**. Meal distribution for remote learners will take place behind the Elementary at door #33. If you have a remote learner, please call me at 513-875-5096 or email me at [cindy.phillips@fpls.us](mailto:cindy.phillips@fpls.us) to be added to the list for food pick up. I will need the following information for pick up, name and number of children in household. Meal distribution is on Tuesday of each week except when school is closed. In the event of a school closure, meal pick up will resume on the next regularly scheduled school day. If you have any questions, please call or email me.
