RSU 57 prepares respectful, responsible and creative thinkers for success in the global community.

October 4, 2020

Dear MHS Community,

This notice is to inform you that the individual at Massabesic High School who was identified by the Maine CDC as a “probable positive” for COVID-19, has **tested negative**. The quarantine period has been lifted by the CDC in this specific case for the “close contacts” identified on Friday, October 2nd, as long as there are no symptoms. **Out of an abundance of caution, we will continue to have those staff that were identified as “close contacts” on Friday, October 2nd work remotely from home.**

This information does not change in-person learning status and **Massabesic High School will continue to be fully remote learning through at least October 9th.**

Questions for the school can be directed to MHS Principal Jim Hand or Superintendent Larry Malone by calling 247-3221. For general COVID-19 questions, dial 211 (or 1-866-811-5695). You can also text your ZIP code to 898-211 or email info@211maine.org. Call a health care provider for questions about your symptoms. More information can be found at www.maine.gov/dhhs/coronavirus or www.cdc.gov/coronavirus.

Sincerely,

Larry Malone, Superintendent
Jim Hand, Principal
