

# Parking and Driving Regulations for East Campus

1. All vehicles must be registered with the main office.
2. There will be a \$60.00 fee for each tag (good for the school year for which it is issued).
3. All vehicles must clearly display an official parking tag on the rearview mirror. The tag number must face the window so that it can be seen from the outside of the car.
4. Students driving to school in the morning will enter the student parking lot entrances at the east end of the property. Students are to park in their assigned parking places and park their vehicles clearly within the lines designating their parking spots. If you feel your car will stick out past the lines, notify the main office, so adjustments can be made.
5. Students may not use their vehicles for transportation to West Campus until the school day is over.
6. At the end of the school day students may not enter the parking lot area where the buses are loading. Students will drive out of the parking lot exiting onto John Street or Waukegan Street.
7. The speed limit on school grounds is 15 M.P.H. at all times.
8. If you no longer will be driving to school, the parking tag must be returned to the main office for a possible refund. You may not give the tag to anyone else, even upon graduation, without permission from the main office.
9. Please read the section on parking and driving regulations in the Parent-student Handbook for additional information.
10. We understand that by signing this document we give consent to search the vehicle and any personal effects therein without notice and without suspicion of wrongdoing when the vehicle is parked on school property. [Board Policy 7:140](#)
11. District #156 is not responsible for damage to students' vehicles while parked in school district parking lots.
12. Any violations of the above regulations will result in the car being towed away from school and/or in a student losing all parking privileges at school. Parents will be notified immediately of any such action. In addition, a student may be subject to further disciplinary action. If a parking spot is removed for violations, no portion of the \$120 fee will be refunded.
13. If there is someone parked in your space, please notify the Security Office immediately. Be prepared to report the license plate number of the car that is parked in your space.

I have read the above rules and regulations and agree to abide by them.
