

Basketball Protocol

All spectators entering the gym must have a face covering/mask, except to eat or drink. (Players and coaches on the playing area and bench do not have to wear a face covering/mask, but must have one on in the stands.)

Gate Keeper and Concession workers wear face covering/mask.

Every spectator must have a ticket. Each player for home and away teams will receive 4 tickets that must be brought to the gate to be able to pay your entry. OSSAA passes and Pitt 8 passes for conference games will not be included in the total.

Spectators are encouraged to sit in family groups, social distanced from other families.

For Elementary games, we encourage spectators who have a 3rd - 4th grader playing to leave after their game if they have no family member playing in the 5th - 6th Grade game, and 5th - 6th grade spectators to wait until their player's game time to enter. (45 minutes after start time for 3rd and 4th grade games)

We will send messages about away game protocol prior to each away game.
