Viola WI 54664-8528

10/6/20

Dear Parents/Guardians:

This letter is to remind you that all 11<sup>th</sup> grade students will be required to take the ACT (American College Test) test this year. This year, for the first time, the ACT test will be administered ONLINE as opposed to paper and pencil. The test will be administered in March and total time required for the administration of the test will be approximately 5 hours. There will be no cost to the students for the school administered ACT test, and the score can be used for college admissions. Any additional ACT tests, at alternate sites, will need to be paid for by the student.

In an effort to help your son or daughter do as well as they can, we will be taking an ACT pre-test on October 14<sup>th</sup>. This will give them the experience of taking the ACT test and the results will be analyzed to help us better understand what concepts are strong and which ones need an extra teaching focus.

The October 14<sup>th</sup> test will be administered online and take approximately 4 - 4 1/2 hours. Later this week each student will be emailed a website to log into, a passcode and specific instructions for taking the test. If you have questions regarding the test or anything else please don't hesitate to call! Our goal at Kickapoo is to continue a high level of learning excellence and strive each year to become even better!

Sincerely,

Aaron J. Mithum  
MS/HS Principal
