

**School Board Goals**  
**2018-2019**

1. Develop a new strategic plan.
2. Define and implement a collaborative and proactive budget development process that includes all stakeholders such as Town Council and community members.
3. Participate with the Town Council in the formation of a committee composed of all stakeholders to fund and finalize the School Facilities Study plan. Implement the findings of the plan by making strategic investments that will modernize and repair aging school buildings and grounds, as well as maximize student learning and safety.
4. Cultivate and leverage community involvement.
