

Virtual Friday Option  
East Side School

During Friday Virtual Option, East Side students will continue instruction in a different way.

Students attending school will keep their regular schedule and will be engaged in intervention and enrichment activities.

Their homeroom teacher will be released for a portion of the day to plan for virtual learning.

During the teacher's release time, another teacher or paraprofessional will be responsible for providing appropriate and engaging instructional activities.

Students choosing to remain home on Friday will take home a literacy and math assignment on Thursday afternoon to be completed and returned on the following Monday.

All students will be dismissed at 3:00pm for parent pickup.
