

The District shall support the general wellness of all students by implementing measurable goals to promote sound nutrition and student health and to reduce childhood obesity.

[See EHAA for information regarding the District's coordinated school health program.]

**Development,  
Implementation, and  
Review of Guidelines  
and Goals**

The District site-based decision-making committee shall review and consider evidence-based strategies and techniques and shall develop nutrition guidelines and wellness goals as required by law. In the development, implementation, and review of these guidelines and goals, the District site-based decision-making committee shall permit participation by parents, students, representatives of the District's food service provider, physical education teachers, school health professionals, members of the Board, school administrators, and members of the public.

Wellness Plan

The District site-based decision-making committee shall develop a wellness plan to implement the District's nutrition guidelines and wellness goals. The wellness plan shall, at a minimum, address:

1. Strategies for soliciting involvement by and input from persons interested in the wellness plan and policy;
2. Objectives, benchmarks, and activities for implementing the wellness goals;
3. Methods for measuring implementation of the wellness goals;
4. The District's standards for foods and beverages provided, but not sold, to students during the school day on a school campus; and
5. The manner of communicating to the public applicable information about the District's wellness policy and plan.

The District site-based decision-making committee shall review and revise the plan on a regular basis and recommend revisions to the wellness policy when necessary.

**Nutrition Guidelines**

Foods and  
Beverages Sold

The District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold or marketed to students during the school day shall be designed to promote student health and reduce childhood obesity and shall be at least as restrictive as federal regulations and guidance, except when the District allows an exemption for fundraising activities as authorized by state and federal rules. [See CO and FJ]

Foods and  
Beverages Provided

The District shall establish standards for all foods and beverages provided, but not sold, to students during the school day. These standards shall be addressed in the District's wellness plan.

**Wellness Goals**

**Nutrition Promotion  
and Education**

The District shall implement, in accordance with law, a coordinated school health program with a nutrition education component. [See EHAA] The District's nutrition promotion activities shall encourage participation in the National School Lunch Program, the School Breakfast Program, and any other supplemental food and nutrition programs offered by the District.

The District establishes the following goal for nutrition promotion: The District's food service staff, teachers, and other District personnel shall consistently promote healthy nutrition messages in cafeterias, classrooms, and other appropriate settings.

The District establishes the following goal for nutrition education: The District shall deliver nutrition education that fosters the adoption and maintenance of healthy eating behaviors.

**Physical Activity**

The District shall implement, in accordance with law, a coordinated health program with physical education and physical activity components and shall offer at least the required amount of physical activity for all grades. [See BDF, EHAA, EHAB, and EHAC]

The District establishes the following goals for physical activity:

1. The District shall provide an environment that fosters safe, enjoyable, and developmentally appropriate fitness activities for all students, including those who are not participating in physical education classes or competitive sports.
2. The District shall provide appropriate staff development and encourage teachers to integrate physical activity into the academic curriculum where appropriate.

**Other School-Based  
Activities**

The District establishes the following goal to create an environment conducive to healthful eating and physical activity and to promote and express a consistent wellness message through other school-based activities: The District shall allow sufficient time for students to eat meals in cafeteria facilities that are clean, safe, and comfortable.

**Implementation**

The Superintendent shall oversee the implementation of this policy and the development and implementation of the wellness plan and appropriate administrative procedures.

**Evaluation**

The District shall comply with federal requirements for evaluating this policy and the wellness plan.

**Public Notification**

The District shall annually inform and update the public about the content and implementation of the wellness policy, including posting on its website copies of the wellness policy, the wellness plan, and the required implementation assessment.

**Records Retention**

The District shall retain all the required records associated with the wellness policy, in accordance with law and the District's records management program. [See CPC and FFA(LEGAL)]
