Principal Newsletter

Dear Parents and Guardians,

It is hard to believe that Friday marks the end of the first quarter! We have successfully completed 43 days of school thus far! I remember hoping and praying that we would make it through the first quarter in person as I was submitting our plan to the Health Department. Every day we are with your students (either in person or LRO), is truly a gift.

As I reflect on the first quarter, I hope you will convey my appreciation to your students about their behavior thus far. Students have been very compliant with the masks and continue to adhere to the guidelines and rules that often change frequently. As the quarter draws to a close, it seems appropriate to assess what has worked well in terms of operations and/or policies, as well as what might need to be amended as we head into the second quarter. Information specific to LRO students will be forthcoming in a separate email.

As always, please know of our continued prayers for you and your family.

Blessings,
Mrs. Williams

First indoor mass of the year looked a little different than previous years but we are so happy to continue celebrating together!

Fatima Movie

All of our students have finished watching *Fatima* in their Theology classes. Thank you again to the Diocese of Toledo for sponsoring the movie! Make some time this week to discuss the film with your students. The movie is still available on Amazon Prime and Fandango if you would like to watch it.

Homecoming Court

Congratulations to our 2020 Homecoming King and Queen, Nate Stolly and Zoey Foster! Keep an eye on our social media pages for more photos from Homecoming!

Soaring Thunderbird

Thanks to our great crew here at LCC, you are very much appreciated. We love you Bobby, Scott and Doug(not pictured). Our Teen Leadership Corps class presented them with goodie bags last week.

Do Something Nice Day

Each year on October 5, people across the nation observe National Do Something Nice Day. It would be ideal if everyone lived their lives doing kind things on a daily basis and without thinking about it. We all get caught up in our fast-paced lifestyles. However, kindness should never be sacrificed to get ahead in the world. Kindness doesn't require grand gestures. Though, when able, those are terrific, too!

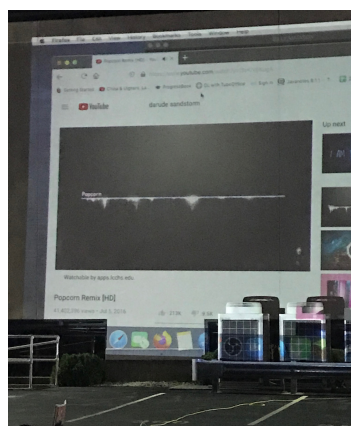

HOW TO OBSERVE #DoSomethingNiceDay

Do something nice! The something can be anything from buying a cup of coffee for someone in line at the coffee shop to giving a compliment to the tired clerk. Maybe the day calls for sending flowers with a card that says "just because," or asking the neighbors over for a barbecue in the backyard or mowing the lawn for someone.

“ Real generosity is doing something nice for someone who will never find out. ”

— Frank A. Clark

A Night at the Movies

We had a great turn out Saturday night for our very first 'Night at the Movies'! Thank you to the students for complying with the rules and making this a fun night for all! We look forward to hosting more in the future.

One Day of Giving

Mark your calendars for the 6th annual One Day of Giving! Now more than ever we need the support of our Thunderbird Community. Every gift no matter the amount makes a difference in the lives of our students. We hope you can join us on Tuesday, November 3rd!
