

## MEET YOUR TEACHER

Hi! My name is Mrs. Wiplinger, and I am SO excited for you to be a fourth grader! More importantly, I am DELIGHTED to be your teacher! It's going to be a fun year full of lots of learning and new adventures! I can't wait to see what the year has in store for us. I want to know ALL about you, but first I'm going to share a few things about me.

I was born in Minneapolis, Minnesota, and then my family moved just north of the city to Blaine. By the time I was going into Third Grade, my parents moved us out to Frenchtown, MT. Growing up, I lived and breathed softball when I wasn't in class. Now, I am happy to be teaching at the same school I attended as a 4<sup>th</sup> grader!

My husband and I have three girls that we love very much and are always on the go! Emma is 9 years old (as most of you may already know), Skylar will be 4 years old in August, and Blair is our 1 year old! We love to go swimming, hiking, and so much more!

I am SO thrilled to be your teacher and for you to be a part of this AWESOME, Fourth Grade Class that we have lined up. Here are some basic expectations that I would like you to follow: Be Prepared, Be Prompt, Be Positive, Be Productive, and Be Polite. This is going to be a CAPTIVATING year!
