

******Full Ride Scholarship to Texas A & M University for students planning to major in a STEM field (Science, Technology, Engineering, or Math). I'm a little biased, but it's a great school, great college town (College Station, TX), and full ride scholarships are few & far between! Deadline is 12/1/20******

Subject: <External Source>Full Scholarship Opportunity - STEM & Business - Texas A&M University

This email is from an EXTERNAL source. Do not click any links or open attachments unless you know the sender and you are sure the content is safe.

Dear Educator,

In a unique partnership with Texas A&M Foundation and Texas A&M University, the Brockman Scholars Program has supported outstanding students through full-ride scholarships since 2018.

Up to 50 scholarships are awarded annually to applicants who, aside from academic merit, demonstrate high levels of constructive community engagement and the qualities of good citizenship.

Each scholarship supports four years of undergraduate study in an approved **STEM** major (science, technology, engineering and mathematics), as well as the one-year **Master of Science in Business** graduate degree at Texas A&M's Mays Business School.

Tuition fees, room and board, transportation, books and supplies, as well as an overseas study opportunity are covered in full by the scholarship.

Top students are encouraged to apply for this prestigious scholarship via the application portal at <https://brockmanfoundation.org/scholarship-program/>. The application deadline for study beginning in the 2021 – 2022 academic year is **5PM United States Central Time on Tuesday, December 1, 2020**.

Details regarding the application process can be found on our website

here: <https://brockmanfoundation.org/brockman-scholars-fags/>. More information on the Brockman Scholars Program can also be found on Texas A&M University's Scholarships and Financial Aid website here: <https://scholarships.tamu.edu/Scholarship-Programs/Brockman-Scholars-Program>.

Please feel free to share our attached 'Invitation to Apply'.

Sincerely,

Rachel Van de Weg
