## **SUPPORTING SCHOOLS, CHILDREN, FAMILIES AND OUR COMMUNITY**

As a new school year begins and that school year looks different than any other, the YMCA is committed to providing families with safe and enriching childcare while ensuring that students have support in any remote learning they are doing with their schools. The YMCA has been providing childcare and summer camp programs to children since the middle of March in a safe, caring and responsible way and we are excited about expanding upon that work by equipping children with the tools they need to succeed academically and socially in this new environment.
